SIR/MAAM

My name is CRYSTAL POTTER. I am an inmate here at Valley State Prison in Chowchilla. I am writing to you as a representative and a member of an inmate Organization here called "LONG TERMERS ORGANIZATION" (LTO) Our Organization works in ways to rehabilitate prisoners by reaching out into the Community and giving back in anyway we can. Since LTO's beginning in 2000, we have raised over $138,000.00 for Charities such as "Victim Services", Susan G. Kolman Breast Cancer foundation, Hinds Hospice

of Fresno, Veterans Hospitals, Childrens Hospitals, Summer Camps for disabled Children and Many other Charities.

We here at Valley State Prison do understand the impact our crimes have had on our Victims and on Society as a whole. LTO is a Volunteer Organization of 120 members who believe in restitution, rehabilitation and Charity - This is why I'm passionate about writing to you - we'd like to do more. I would love to have a guest speaker address the population here on the impact our Crimes have had and to tell the 3,800 women incarcerated that our crimes affect many and how.

Whether this desire can be fullfilled or not, it is our interest also in finding out how we can give even more to our Community by way of fundraisers for needy Organizations of your Choosing. We may never gain the trust or the forgiveness of our Victims, but to do now, what we

should have been doing from the very beginning in providing community services would teach us further, the morals and values so necessary as a productive member of society.
